RECOMMENDATIONS

Name: Jude Anumudu | CEO Web3 Global and Bathphage ICT Center

- He is apt, passionate and a good software developer. We trained him through our Texas, USA partners and he has shown to be a great person in the space of technological tools, discipline and maintaining best practices.

Email: info@web3globalconference.com | Phone number: (+234) 8139340155

Name: Dr. Michael. A. Okon | Senior Lecturer Soil Physics and Chemistry

- He is a very keen, research ardent student of Soil Physics and Chemistry cum environmental pollution control. He also developed a soil testing app for our laboratory for his set in 2019 for their research works. This made the project seamless and convenient.
